Leave the Sharpening to Us!

Available in U.S. Only

# Focus on sawing – Leave

ReSharp lets you spend your time sawing, not sharpening blades. For hassle-free sharpening, return your blades to one of our Wood-Mizer ReSharp locations. We don't just sharpen your blades – we return them to original manufacturing standards for accurate set and sharpness for as little as \$7 per blade.

## What ReSharp Customers Say...

“Wood-Mizer Blades are the best I have used. With the ReSharp program I have no broken blades, no expensive equipment to purchase, and one less chore for me.”

*Martin's Lumber*

“We never had time to sharpen our blades. It was irritating to take guys away from other work to sharpen blades. We are really happy with ReSharp.”

*Royce S.*

“I often think ReSharp cuts better than new.”

*George T.*

# Give the sharpening to us!

## 1. Sign Up!

Call ReSharp at 800.244.4600 to get your account set up. We can place a credit card on file, or work out other payment methods for you.

## 2. Package your dull blades

When your blades get dull, pack them up carefully in the box they came in, be sure to secure the blades with the metal ring and a strong zip tie. Watch blade packing videos online, or scan these QR codes to watch on your smartphone.

Tape sides & add shipping label

Flatpack Blade Box-Pack and secure with metal ring and zip tie

Cube Blade Box-Pack and separate with cardboard dividers

## 3. Ship your blades

Apply one of the provided FedEx return labels, and call FedEx for a pick up. Or use your preferred shipping company.

*Request additional labels at [woodmizer.com](http://woodmizer.com), or call 800.244.4600.*

## 4. Sharpened & Returned

Your blades will be sharpened in the order they were received. Your account will be charged, and your receipt will return with your blades. On average, blades will return to you within two weeks.

*See payment options at [woodmizer.com](http://woodmizer.com), or call 800.244.4600.*

## 5. That's not all!

Sign up for our blade Auto-Replace and Auto Fill programs, and let us keep you topped off with sharp blades.

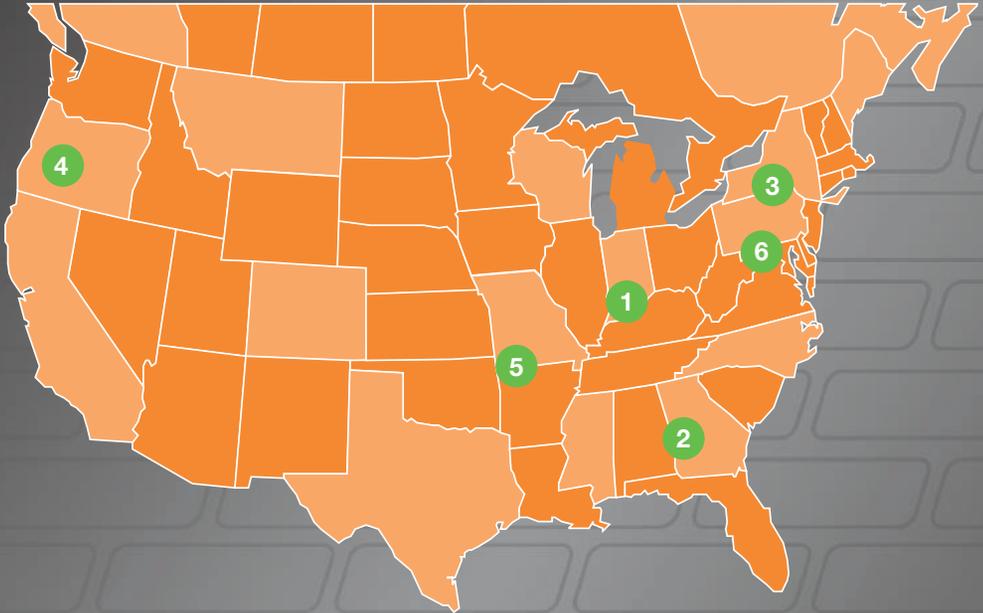

### • Auto-Replace

When a blade is no longer able to be sharpened, we will automatically replace the rejected blade with a new blade of the same type and will invoice you for the replacement blade along with the ReSharp blades. 15% off the new blade.

### • Auto Fill

Have Wood-Mizer always send back a full box, regardless of how many blades you send in. This option is used by customers who always want to maintain a certain number of blades. Call your ReSharp location to sign up.
